BISHESWAR BHATTACHARJEE

Cybersecurity Engineer

Kolkata, West Bengal, India | +91 7980074239 | bisheswarbhattacharjee@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Motivated and enthusiastic Cybersecurity Engineering fresher currently pursuing a B.Tech in Computer Science Engineering. Passionate about cybersecurity, ethical hacking, networking, and Python development, with hands-on experience building cybersecurity tools and learning penetration testing, Linux, and web security concepts.

TECHNICAL SKILLS

Security & Networking: Cybersecurity Fundamentals, Network Scanning & Reconnaissance, HTTP Header Analysis, DNS & WHOIS Enumeration, Nmap, Burp Suite Basics, Linux & Kali Linux Basics

Programming: Python Programming, Socket Programming

Networking Concepts: TCP/IP, HTTP, DNS

Tools & Platforms: Git, GitHub, Kali Linux, Nmap, Burp Suite

Areas of Interest: Ethical Hacking, Penetration Testing, Network Security, Web Application Security

PROJECTS

Python Advanced Port Scanner | Python, Sockets, Threading

- Developed a Python-based port scanner with multi-port scanning, banner grabbing, and service detection using sockets and threading.
- Implemented multi-threading to scan multiple ports concurrently, significantly reducing overall scan time.
- Designed the tool to identify running services and flag potentially open or vulnerable ports for further review.

Python Web Tech Detector | Python, HTTP, Requests

- Built a cybersecurity tool to analyze website headers and identify web technologies and server information.
- Parsed HTTP response headers to detect server software, frameworks, and configuration details relevant to security assessment.
- Applied the tool to practice reconnaissance techniques used in the early stages of penetration testing.

CAREER OBJECTIVE

Seeking an opportunity to start my career in Cybersecurity where I can apply my technical skills, gain practical experience, and grow as a cybersecurity professional.

SOFT SKILLS

Problem Solving • Quick Learner • Analytical Thinking • Teamwork • Communication Skills

EDUCATION

Brainware University *Aug 2026 – Expected Jun 2029*
Bachelor of Technology in Computer Science and Engineering (Core)

Kingston Polytechnic College *Sep 2023 – Jun 2026*
Diploma in Computer Science and Technology | GPA: 7.56

Secondary Education
Class 10 | 62%
